LANA, OUR ARTIFICIAL INTELLIGENCE

Self-learning: continuous deep learning

Powerful & precise: 4 million data points per day per horse

In service 24/7   Never exhausted   Always precise

More than 40 foalings were carried out in 2023, and the entire team is satisfied. A few minutes after receiving the call, the foal began to emerge. Thank you to NOVOSTABLE for the performance and reliability of this product.
